Which words are difficult?
I search and learn.
I do this before during after reading the text.

Step 1: Stop reading when you read a word you do not know.

Step 2: Try to find the meaning of the word together by:

- talking about the meaning of the word.
- looking for the meaning in the tekst.
- looking for the meaning in the dictionary or on computer.
- asking someone else for help.

Step 3: Write down the word and the meaning.

What a difficult word! It means …

Step 4: Make a new sentence with the difficult word.

Step 5: Continue reading.

I applied the strategy before during after reading the text.
