

Revision of Grading for Wanted Poster	
<i>Percentage of Grade</i>	<i>Requirements</i>
20%	Connections: Narrative includes key life events, family, possible associates, other locations visited or other places the person lived to help with locating the person.
25%	Synthesis based on multiple sources (minimum of 5): Information in paper is synthesized and confirmed from multiple sources, rather than summarized from an isolated source. It is also cited appropriately to demonstrate synthesis.
25%	Analysis: As a conclusion, narrative includes an analysis of the individual, including strengths, weaknesses, and possible other contributions the person could have made to the movement. Although your opinion, analysis should be based on the information gathered.
20%	Written narrative: Overall flow and quality of writing, appropriate information included, extraneous information excluded. Quotes and other information support key points made throughout the paper.
10%	Basic requirements: Completion of all aspects of assignment, 8" x 10" paper, "mug shot," your name at the bottom right corner, reference list in appropriate format on reference page, word-processed narrative with 12-point font and 1-inch margins, minimum of 5 sources, and photocopy of sources with information highlighted.
