Reading Habit Self-Reflection

We are 6 weeks into the year. It is time for us to reflect on our reading habits so far. Please be honest rather than write what you think I want to hear.

How much time do you spend reading every day? __________________________

Favorite book so far this year? __________________________

Do you read every day? Why or why not? __________________________

Do you like to read? Why or why not? __________________________

Are you using the reading comprehension strategies when you read? ______ If yes, how has it helped you? __________________________

If no, why not?

What is a good habit you have as a reader? __________________________

What is a bad habit you have as a reader and how will you work on it?

How many books do you think you have abandoned in the past 6 weeks? ______ If any, what made you abandon them? __________________________

What are you working on as a reader?

How will you work on this?

What do you wish I would notice?
