Tell Us a Little Bit About Yourself

Do you have access to a computer with internet at home? ________________

Do you have a device such as a smartphone to bring to school? __________

How do you get to and from school? ________________________________

Describe what your typical afternoon looks like after school

_______________________________________________________________

_______________________________________________________________

What are three important things I should know about you?

_______________________________________________________________

_______________________________________________________________

What are some things you are really good at?

_______________________________________________________________

_______________________________________________________________

What have you most loved learning about or to do (even if not in school)?
Why?

_______________________________________________________________

_______________________________________________________________

_______________________________________________________________

I think 7th grade will be . . . (write as much as you would like)

What do you love about school?

What do you not like so much about school?

I work best in a classroom that is . . .

Some things I really want to work on this year in 7th grade are . . .

What do you wish teachers would notice about you?

When I get mad, I . . .

The best teachers for me are teachers that . . .

I do not get along with these students . . .

I work well with these students . . .

I wish all teachers would just . . .
